

Hokubo Machi-no-eki Guesthouse & Dormitory

We are located in Hokubo, Maniwa City, Okayama Prefecture. This area is well-known as Japan's No. 1 fireflies' spot and for spiritual spots.

We usually offer our entire house for ¥28,000 per night (without meals, tax included); however, if there is no reservation on the night you walk in, we offer the entire house just for ¥3,500 per night per person. We have a room for 3 people and a room for 6 people. If you don't mind sharing the room with others, we recommend staying in a dormitory which is ¥2,500 per night per person.

We offer a guided tour of spiritual spots, which takes about 4 hours (the guide fee ¥10,000, tax included). We can accept approximately 8 people. Come along and enjoy wonderful mysterious stories passed down in the Hokubo area.
